No Sales of Inherited Lands Will Take Place in March,

City, O. T., March S.-Nearly \$12,000 in cash was paid to the Ponca indians last week anunity money due them, and derived mainly from the leasing of their tribal lands. No confusion attended the payment whatever, as the distribution of large sums to the Indians has been reduced to a business basis and names are systematically arranged to besigned as fast as the claimant appears, says the Courier. The page number upon the face of each check shows at a glance where the signature is placed. Five hundred and ninety-one annuities were paid, of which number not over a continue, fatal results are sure to follow. dozen are Indians who have passed away during the past year and since the last cas have made a slight gain the past year. Trader Steele furnished a fat beef afternoon. The usual restrictions were removed and a great many Poncas drove the city and did considerable shopping. Another payment will likely be made during the month of March, being lease money due the Indians from the renting of their individual allotments. This paypayment will probably run over the \$20,000 mark. The Tonkawas receive a greall amounty payment and also a lease

payment during the month. No sales of inherited lands will take for sale during April and May. Judging from the number of inquiries being made by outside parties, the coming gales promise to be lively and interesting. A fact well worth considering is that class forming lands.

Lincoln County Meeting Fails to Bring Agreement.

RESULT CAUSES COMMENT

Democrats Insist on Use of Their Party Name.

Guthrie O. T., March 8.-The word received here today that the Democratic and Populist central committees of Lincoln county had held a meeting last Saturday and that the attempt to continue fusion had signally failed caused a good deal of concern among the Democratic leaders in this city. Some of them fear that their chances of carrying the next election in the territory has gone glimmering. Some of the Democratic leaders here say that about all that is left of the Populist party of Oklahoma is a few fellows who want to trade for the offices and that if the Democratic party will take a bold stand the rank and file of the populist party will vote the Democratic ticket.

The Chandier Publicist says of the meeting of the two committees that a conference committee of five was appointed as follows to confer with a like committee from the democratic committee R. F. Ambler, J. M. Reagin, Robert Pool, F. P. Harmon, N. W.
